Updates and Events

Dear Members,

It’s hard to believe we have already been at our temporary location for one year.

We started with some interesting ideas this summer: Tuesday Trivia Night, Wednesday Italian Night, Thursday Shrimp Fest, and Saturday afternoon football. We hope to keep it exciting all year.

Construction is moving along, with Plumbing, electric, a/c Duct work, and interior Framing on the second level. Roof Trusses are being engineered, and windows and doors have been ordered.

We are Looking Forward to your return & hoping to see a lot more of all our members at,

"Your Club"
"The Islamorada Fishing Club"

Sincerely,
- Vinnie

Sponsorship Opportunities

We are thrilled to announce a unique opportunity to contribute to the future of the Islamorada Fishing Club! As part of our efforts to raise funds for our new building, we are offering sponsorship opportunities for various items and features within the new facility.

Why Sponsor?

- **Leave Your Mark:** Have your name or business prominently displayed on sponsored items within our new building.

- **Support Growth:** Help us create a state-of-the-art facility that will benefit all club members for years to come.

Sponsorship Opportunities Include:

- **Rooms and Facilities:** Sponsor specific rooms such as meeting spaces, Bars, or dock areas.
- **Equipment and Furnishings:** Sponsor essential equipment and furnishings to enhance our new building.
- **Outdoor Spaces:** Sponsor landscaping, benches, or other outdoor features to beautify our club's surroundings.

Breast Cancer Awareness Month (BCAM) (also referred to as National Breast Cancer Awareness Month (NBCAM)) is an annual International health campaign organized by major breast cancer *charities every October to increase awareness of the disease and to raise funds for research into its cause, prevention, diagnosis, treatment and cure.*

The campaign also offers information and support to those affected by breast cancer. As well as providing a platform for breast cancer charities to raise awareness of their work and of the disease, BCAM is also a prime opportunity to remind women to be breast aware for earlier detection
