

# IFC SHORT CAST

October, 2020

Dear Members,

The club is re-opened, and we are anxiously awaiting the return of all the snowbirds.

I would like to take this time to remind everyone that a reservation will be required by all members wishing to dine at the club.

Please make your dining room reservations 24-48 hours in advance, & notify the club promptly of any cancellations or changes to your reservation.

These are uncharted waters we are navigating and I am thinking about the health of our staff and membership alike. I will be following up with our club protocols and procedures just to remind everyone who might just be getting back.

Sincerely,

Vinnie

## Effective October 2016

*Please be sure we have the most recent E-Mail, Home address, updated credit card information as well as a contact Telephone number on file at the club.*

*If you are not currently receiving E-mails from the club. It maybe that we need an update or that you need to check your "Spam Filter"*

Breast Cancer Awareness Month (BCAM) (also referred to as National Breast Cancer Awareness Month (NBCAM)) is an annual International health campaign organized by major breast cancer charities every October to increase awareness of the disease and to raise funds for research into its cause, prevention, diagnosis, treatment and cure. The campaign also offers information and support to those affected by breast cancer. As well as providing a platform for breast cancer charities to raise awareness of their work and of the disease, BCAM is also a prime opportunity to remind women to be breast aware for earlier detection.
