

IFC SHORT CAST

October, 2023

Dear Members,

We are working diligently at our new temporary location and are in the final stages. We have been approved for our licenses & Are waiting patiently for our final inspections.

I would like to thank all members for their patience during this arduous task of Relocating, there have been many hurdles to overcome and we have tackled most if not all of them.

I am just now getting my office set up, but am experiencing some difficulties with the network / internet and hope that this shortcast reaches all of you.

Looking Forward to your return to,

"Your Club"

"The Islamorada Fishing Club"

Sincerely,

Vinnie

Effective October 2023

Breast Cancer Awareness Month (BCAM) (also referred to as National Breast Cancer Awareness Month (NBCAM)) is an annual International health campaign organized by major breast cancer charities every October to increase awareness of the disease and to raise funds for research into its cause, prevention, diagnosis, treatment and cure.

The campaign also offers information and support to those affected by breast cancer. As well as providing a platform for breast cancer charities to raise awareness of their work and of the disease, BCAM is also a prime opportunity to remind women to be breast aware for earlier detection
