

# IFC SHORTCAST

Dear Fellow Members and Friends,

The Holiday Season is upon us and this time of year, especially, is a time to reflect on the passing of another year, appreciate our blessings and what we may do for others. Part of the tradition of our great Club is to show our trusted employees our appreciation by contributing toward the Holiday bonus pool.

We are so fortunate that we have a fantastic team of hospitality professionals at the Islamorada Fishing Club who have stayed the course through the Years.

Now more than before, it is important that we as members recognize the team that provides us with so many memorable evenings of great food, great drinks, and great friends. I hope you will join me and the Board in contributing to the Holiday Bonus Pool.

In this edition of Shortcast, you will find an enclosed bonus slip below that allows you to show your appreciation to our 13 hard-working employees. Slips will be available at the Club as well or you could contact Vinnie by phone or email ([vinnie@theislamoradafishingclub.com](mailto:vinnie@theislamoradafishingclub.com)) and he will debit your account. Our combined generosity will likely make a positive impact on our team members and their families during the Holidays.

May you have a Happy and Joyous Season with continued good health for the New Year and beyond!

Sincerely,

Joe Roth III, President

Islamorada Fishing Club

Dear IFC Members,

I wanted to take this moment to thank all of you for your continued support during the last 2 weeks of our opening. This time has been very productive in getting our staff trained in the club procedures and figuring out the nuances of our new facility.

This has been quite a journey for us all, and the time and effort it took to get us to this point has made it all worthwhile. The next step is to bring our history back on the walls, build out our retail section and so much more. Please keep in mind this will take some time, but the good news is we are open and able to enjoy a spectacular new club.

Many have inquired about opening for lunch. I have determined that we will start Lunch service in the main dining room after the holidays in the new year. This will give us much needed time to get better organized and be better prepared. We have been exploring additional entertainment options as well, including Thursday evening music on the 3rd floor Patio during happy hour, a DJ in the later evening hours on Friday or Saturday and of course a Sunday brunch. Daily specials and our mid-week theme nights will also be returning.

Just to remind everyone our happy hour is now 4:00pm— 6:00 pm at the main dining room bar and on the entire 3rd floor. We are serving all menu items on their prospective floor only. It is so nice to see members coming in to have a cocktail, watch the sunset and have a bite to eat, or go down to the main dining room for dinner.

We have had awesome success with our events this month with great reviews. With that being said we will be open for New Years Eve and the menu will follow shortly. As always we will be closed on Christmas Eve as well as Christmas Day.

Please come enjoy the club, it was built for you so that you can enjoy yourselves with your friends and create some new lasting memories in

“Your Club”

The Islamorada Fishing Club

With much gratitude,

Vinnie

Good evening IFC members,

Our club is finished. I hope everyone feels the same as I do (minus the exhaustion) about this incredibly gorgeous new club. I am proud to say that what we have built will be here for many years to come.

First, I want to inform you all that we will be reinstating your annual food & beverage minimum effective January 1<sup>st</sup> billing cycle. The previous notice indicated November 1<sup>st</sup> billing cycle.

**What does this mean for you?** If your membership dues are renewed January 1st, you will be automatically billed for any unspent minimums from “your” prior membership year {1/1/2025 – 12/31/2025}. As in the past, your minimums are equal to your dues and you have 1 full year (your membership Year) to meet your minimums, this is not a monthly requirement.

The next page in this short-cast has an example statement.

In the bottom left corner you will see;

- ♦ **Minimum Billing Period Nov1/24—Oct 31/25** This represents “your” membership year when your dues automatically renew & reset your minimums
- ♦ **Unspent Minimum 297.95** This is what you have left to spend on food & beverage only before the end of your membership year.

In this example GM Vincent must spend \$297.95 on food & beverage only, by October 31st 2025 **or that amount will be automatically charged** on November 1st 2025 billing cycle.

- ♦ **Please keep in mind that this amount is for Food & Beverage only. Tax, service/ gratuity or merchandise do not count towards your Food & Beverage minimums.**

**If you have any questions please give me a call.**

**Vinnie**
