

IFC ShortCast

Dear Members,

What a spectacular turn-out for our annual meeting this year. In my time with the club, we never had such a crowd. It was a great pleasure to see everyone who are committed to the future of this great institution.

I would also like to say thank you to our President Joe Roth and the rest of our board for their positive comments and support they have given me to get this project completed, and especially all of you for your heartfelt applause. It truly moved me.

If you have a friend or neighbor who you think maybe interested in membership, bring them in for dinner or a cocktail and a pizza on the 3rd floor deck. Remember, you as a current members are our greatest asset to attract future members.

We are working diligently to finish all the projects we still have in front of us. Our highest priority is the acoustics in the main dining room and that is progressing well. Shade on the 3rd floor is also in the works and we just received the poles that will be installed to hold the sail shades. We have more furniture on order to beautify the main entry lobby and reception area. Photos & mounts will also be hung and our retail section is also in the works.

Things are moving quickly, all this and we are having one of the best seasons in a long time.

Sincerely

Vinnie

Dear Members,

Attendance is way up at our new facility and it is directly attributed to the atmosphere, the quality of our food and the exceptional team that we have. We are extremely pleased with the outpouring of support and usage of the club.

Having said that, please keep in mind that we are a private, membership driven club that does have some requirements and house rules we need to recognize and follow. I would like to just reiterate our club dress code for those who may be uncertain of the club expectations.

- All members and guests shall dress in an appropriate manner at all times while on the club premises.
- Shoes, pants, shorts, shirts and cover ups shall be required at all times in the club.
- Athletic shorts, tight work out type leggings, tank tops, crop tops or similar are ***not*** appropriate attire for the dining room.
- Baseball caps, or other types of hats are ***not*** to be worn in the dining room unless the dress code is relaxed for a special event or occasion such as a party or costume party.
- Suggested attire for the dining room in the evenings would include slacks, dresses, collared shirts, denim that is not tattered or worn, dress shorts with a collared shirt.
- Unless otherwise noted for a specific event or party, coats and/or ties are ***not required*** but are always welcomed.

For the most part, the above dress code is rarely abused but I have been noticing more baseball caps in the dining room during evening seatings. Hopefully, by bringing this up we can curb that trend and encourage everyone to do their part to make all of our experiences special at the incredibly special place we now have.

Thank you in advance for your attention to this and I look forward to seeing you at IFC!

Sincerely,

Joe Roth, President

On behalf of the Board of Directors

A tall, white, lattice-structured lighthouse stands in the clear, turquoise waters of the ocean. The sky is a vibrant blue with scattered white clouds. The lighthouse has a black lantern room at the top with a red and white striped band.
